## **It is time again for our annual spectacular fall sale!**

**This sale is good September 20th through October 14th, 2016.**

To save, please use this coupon code when placing your order on our online order form ([www.qualityzipper.com/order](http://www.qualityzipper.com/order)). Just enter the coupon code at the bottom of the online form and it will automatically deduct your savings of 20% off of your entire order!

**2016SAVE20** **this code will save you 20% off your entire order!**

The more you order of each item, the more you save as there are built in discounts for each item, so save even more when you order in large quantities!

If you would rather not order online, just mention the coupon code when ordering by phone or write the coupon code on your fax, email, or mail order. You can download our latest paper order form from our web site [www.qualityzipper.com](http://www.qualityzipper.com); on the home page click the **RESOURCES** menu button; then click **PRICE LIST** button. We could also mail you a copy of the order form if you wish. If you choose to use the paper order form, please remember to put the sale coupon code somewhere on your order to get in on the sale...**we will not honor any discounts without that sale coupon code.**

This coupon cannot be used on special orders; it can only be used on in stock inventory items. The paper order form and the online order form on our web site list all stocked inventory items; the online order form ([www.qualityzipper.com/order](http://www.qualityzipper.com/order)) is more up to date as it contains up to the minute items as well as closeout and sale items. Minimum order for this sale before discount is \$100.

Hope to hear from you soon!
