YOUR AUTHORIZED YKK® DISTRIBUTOR

Quality Zipper promises you an endless selection of YKK® products, at the very lowest prices anywhere, with the best and fastest service possible!

CAPABILITY STATEMENT

Quality Zipper & Supply, Inc. is a nationwide authorized distributor for YKK® USA. YKK®, without question, produces the world's best and most reliable zippers and fasteners and is the industry standard and choice of all manufacturers that are looking for quality, reliability, style, and performance. YKK® produces half the zippers on Earth; more than 7 Billion a year! Quality Zipper & Supply, Inc. has been an authorized distributor of YKK® zippers for 35+ years.

CORE COMPETENCIES

You will find that we offer service that is the best in the industry. As a small family owned business, we offer fast and courteous no-nonsense, straight-forward service. In fact, ordering zippers and fasteners has never been easier!

Because YKK® only manufactures zippers and does not distribute them, let us be your gateway to the #1 zipper and fastener made! As an agent for YKK®, your selection is limitless; choose any type, size, length, and color (500+) of zipper you want! In addition, we

can also supply you with all the zipper parts and other fasteners made by YKK®. We have hundreds of the most popular zippers, zipper parts, and fasteners in stock ready for immediate shipment. If not in stock, we can get it made for you from the YKK® factory. Over 95% of the YKK® items we stock and special order are made right here in the USA!

In addition, we can determine what zipper is best for your product. Let our 35+ years of experience help you in your search for the right zipper.
